Dear Publisher:

Enclosed you will find the Fourth Quarter Royalty Statement and a check which represents payment for the use of your publication(s) in our microfilm collections products. The Fourth Quarter period was from October 1987 through January 1988.

What's new at IAC? To begin, we are moving to Foster City, California. The transition is anticipated to be completed by April 1, 1988. Our new address is:

362 Lakeside Drive
Foster City, CA 94404
415/378-5000
(Our toll-free number is the same)

I'd also like to take this opportunity to inform you about our latest product, entitled The InfoTrac^{tm} Reference Center. The Reference Center enables libraries to construct reference networks with up to eight terminals providing access to up to sixteen compact-disc drives and eight videodisc players.

In addition, the network allows for dial-out access to remote databases from all or any of the terminals on the system. IAC provides software and interface support to enable access to optical disc databases published and produced by other vendors. All of IAC's optical disc databases can be accessed simultaneously on The Reference Center.

I enjoy having this opportunity to keep you informed of IAC's constant new technologies. If you have any questions regarding your statement, please call.

Sincerely,

Jinna Gibson
Contracts & Rights Manager
